“ Nancy, Rick and I were so sorry to hear of Rick’s passing. I have lots of memories of Rick coming to our house to stay over with my brother Jerrill during their high school years of playing basketball. Rick loved my mom’s cooking especially her fried chicken. I remember you calling me down to your mom and dad’s house to see your wedding dress when you and Rick decided to marry. I’ll never forget you standing at the kitchen sink washing dishes in that bridal gown! Hold on to all your memories as they will bring you comfort in the days to come. Praying for you, your children and families, and special prayers for Rex and Shirley. Judy Correll

“ Rick was the coach of the '78 MHS Baseball team. My coach. We were a ragtag bunch of guys that loved baseball and seriously overachieved for that season and won the sectional at Bedford. Rick brought us together and made us all feel like family. We had a lot fun that year, thanks coach. Didn't see him after school until a few years ago at his granddaughters graduation party. Rest in peace coach.

“ Nancy and family,

It is hard to put into words Kathy's and my feelings. We feel such a void at the loss of Rick. I knew him from grade school on up to high school and remember him in Cub Scouts. I will never forget him and the BHS Basketball team of 1971.

Kathy and I treasure the memory of the wonderful times when we met you, Nancy and Rick for dinner in Clay City and Terre Haute. What a sense of humor Rick had. Also I treasure when I would see Rick around Bloomfield and we would chat for a few moments.

For several years when I would see your house going to and coming from work, I would pray for both of you. That will continue.

The caring will never cease.

“ Rex (my favorite BHS teacher), Shirley and Nancy: I am shocked at Rick's passing and so sorry for your loss. I have great memories of him from Little League (including the tape measure home run he hit off me) through varsity basketball. “ To: Nancy and Family
From: Joe Morris

Nancy, so sorry to hear of Rick's passing. I hope you remember me, you were my supervisor when I taught cheer camps at DePauw for ICC...during the very first years. I was the only guy so you probably remember (went to IU). I remember Rick going to Franklin Central when your children were young. I only met Rick a couple of times. And while I didn't know him, I knew you. I'm sure he was always so proud to be your husband.

I wish you and the family strength and peace during this difficult time.

(I work for Ivy Tech in Indy and Jeff Pittman was my supervisor for a while and Brian Thomas is our Executive Director of Grants Administration - Bloomfield connections, so that's how I heard).

Be well.

So sad & much sorrow for those left here on earth. God needed him for some other task. Just wish there are words to help you through this tough time. But I know there isn't. Each person will deal with it in their own way. No real steps to follow as some say. As you know, God is with you and will see you through this crises. My heartfelt condolences. Prayers!*
