“ Sending prayers to the family that God will wrap his arms around each of you at this very difficult time. Bob was such a kind & gentle soul, always willing to help anyone that needed it. His family & friends will miss him so much but he is in heaven now watching down on us & doing it with out all the pain he was in here on earth.
Love You, Beth Gill (Brookshire)

“ Marge, Donnie, and Debbie,
Just want to express how sad I feel to loss Bob. When we were kids growing up I would consider Bob a "little rascal". When our parents were visiting, we kids were left to do the same (sorry Aunt Marge if we were a handful). We always found lots to do and enjoyed the time together. So sad as adults distance cut our time together so short. Also want to express my gratitude to Sharleen and family for taking such good care of Bob. As always you all are in my prayers.
