“ *I was so sorry to see that Boogie passed away. I always liked Boogie, even though he was a few years younger. Forty years ago, we sometimes raced each other to Bloomington in the early morning.
I'm glad he had a good life, and a loving family. My condolences to the entire Frye family.*

“ Connie, my thoughts sre with you I really enjoyed working with Boggie. Hearing him talk about you I remember him telling me about how you painted a wall with sacks and it looking just like real stone. You meant alot to him, also about the dog the twins and they mom came to may house and got the puppy husky. How the cat and dog got along together. My God watch over you and your family GOD BLESS YOU

“ Kylee & family~

I am so sorry to hear about your dad. I have wonderful memories of him, he was a great person & a wonderful softball coach. I remember when I moved and we played Bloomfield he would always come up to me and give me a hard time about being a trader.
