“ *I served with Bob on the Well Head Protection Committee for Eastern Heights Utilities going back to the fall of 1999. Bob was always pleasant and had interesting information of Bloomfield from years gone by. When I would see him in town he always spoke and smiled. I really liked him.*

I was lucky to have had the opportunity to know him a little better working with him. He is in a better place.

May God comfort all of you now and in the days to come.
