“ Bob was a great guy and will be missed. My condolences to Elizabeth, Bob's parents, and his children and grandchildren. We worked and lived life together for a great deal of time back in our younger years. I know I learned a lot from Bob and hope he learned some from me. One remembrance I will never forget is the first time he ever saw a gar fish. We had traveled a long way on a tractor to net fish at a junction of two ditches. I had seen them in Texas and I assured him it would not eat us. Many good memories and learning experiences on the Farm!

“ So sorry to hear of Bob's passing. My condolences to Elizabeth, Bob's parents, and his children and grandchildren.

With my brother Dave, we spent a lot of time together when we were young, then not much at all as life went on, much to my regret now. However, I always valued those times with him and the rest of the White's.

Some of the early years were recorded on film, later to video, then I added some narration a few years ago. You can watch this record, which includes some of Bob and LuAnn, Grandpa and Grandma Lehman, Great Grandma Lehman, and others no longer with us here on Vimeo:

Bob is there at around the 11:30 and again at the 14:30, 21:45 and 24:00 marks in the video.

Bob was always willing to show his city cousin's how to do things without getting in too much trouble or biting off more than a city kid could chew. I'm sure his passing has left a huge hole to fill in the lives of many. Rest in peace, Bob.
