“ *Kathy, our hearts go out to you and your family. Your Mother was a special person. She was so good to visit my Mother at least monthly and that was such a lift to her. Her genuine love for people and friends was evident. Her family was very special to her and she talked of them often with such pride.*
We have both lost our Mothers and we know how deep the loss is, but hang on to the wonderful memories. Give your father our love and we will keep your brother and all of you in our prayers. We will pray He give you peace and comfort at this difficult time.
We love you.
