“ Julian loved to teach and challenge his students with relevant questions. He would ask me weekly how school was because he cared about me as a teacher. He was so upbeat! I'm glad we got to know him for a short while at least. Your family is in our prayers.

“ So sorry of your loss. Everyone will miss seeing his smile and talking to him at the 4-H Fair Grounds. He loved all the kids and was always around for them to talk and ask questions. But he was a good man and loved his family dearly (and loved to show off those beautiful grand-daughters). God Bless all of you and we are praying for you.
