“ Rusty was my first love. He was sweet, talented, intelligent, humble and truly cared about his friends. I remember a standoffish dog I had in high school that absolutely **ADORED** him! Everyone did. Truly a special guy. My cousin moved into the Autumn Trace facility, in Linton, the fall of 2019 and I had planned to visit Rusty while there. Unfortunately, he was no longer in residence upon my arrival. A missed opportunity I will always regret. He has taken a piece of my heart with him.

“ This deeply saddens me to learn of the passing of Rusty Miller. I got to know Rusty competing against him in slow-pitch softball at Bicknell, He was so quick and fast he covered about half the outfield. I was also a sportswriter in those days and I covered the game at Switz City when Rusty scored 60 points against Vincennes Rivet. It was one of the most incredible things I've ever seen. But more important than that, Rusty was such a sweet, kind and humble person. One of the nicest guys I've ever met. When he played in our softball league in 1975 at Bicknell I talked to him quite a bit about that 60 point game but he seemed almost too embarrassed to even talk about it. Such a great kid. I wish I could have kept track of him over the years, it is my loss that I didn't.
