“ Sharon and Family, I am so sorry to hear of Russell's passing, I did not know until today (April 13). If the obituary was in the Times Mail I did not see it, my brother in Bloomington just told me about it. I have missed your family so much here on Walnut Heights Rd. and would love to take you to lunch sometime. I also don't have your new telephone number, so please call me sometime. With love and prayers for all of you.

“ *Russell and Sharon were the first people we met and our first friends when we moved to Gosport. They had recently moved there too. My husband and myself and our kids and grand kids all had a ball with Russell riding around in the covered wagon. He loved teaching us as we took turns driving Dory and Daisy. Sometimes we'd ride our own horses and follow him and made a wagon train through town. We even rode a parade or two with him. We had a blast!  
Loved going to dinner, to auctions and the antique show with them...or just hanging out and telling stories. They have been such good friends to us and we are so grateful for their friendship. We will miss Russell terribly!!!*
