“ My thoughts and prayers are with Sally's family. She was a super lady. She put up with a lot of craziness with us back in the day. My senior year Ronna and I cut out wrist on broken glass in the door. I walked in the office with blood on my arm not knowing I had cut myself too. I was screaming that Ronna was bleeding and she yelled back at me so are you!!! We gave her a hard time but we loved her! Rest in peace Sally you will always be in our hearts.c
