“ *My thoughts, prayers and love go out to Leon, Melissa and families. You all lost such a wonderful lady. I lost a great friend, sister, joker and cutup. Sheila could come up with great songs about people/places. The tornado story will always be the best. Sheila did get the last laugh on me and I will always love her for it and I'm so grateful for the recordings of her singing. I will greatly miss my friend and thank God that he brought Sheila into my life, even for a short time. Rest peacefully my friend*
