“Joyce--It has been many, many year since you allowed me to be a rider occasionally on your trips back to Bloomfield from Ball State. Your parents & mine, Harry & Peg Weathers(from Elnora), were old time friends from Crane.I was sorry to hear about the passing of your dad. My Dad had planned to come to the viewing but at the last minute was unable. We both send our sympathies to you & your mom & your entire family. May God give you comfort & strength.

“I would like to offer my deepest sympathies to you. Although we haven't met, all of us have experienced the loss of a loved one. I am so sorry for your loss. Please know that you are never alone. Turn to the Holy Scriptures for guidance and to help soothe your heart. Psalms 34;18 assures us that God is near to those broken at heart and crushed in spirit. Please accept my deepest sympathies.

“ Denise:

My condolences to you and your family at the passing of your father. The picture you chose to post with his obituary says it all - you can see his personity in that smile. Bloomfield's "North Drive" community has lost another giant.
