“ Amy, I am so sorry for your loss. She was a great lady! I would see her at Walmart and she would stop and talk! She remembered me! Her coconut cream pie (still warm) because of you! Every time I have coconut cream pie I think of her and will continue to do so!! The swim dates at their pool. Such great memories! Prayers to you all! Love, Allison

“ Dear Amy, Nancy, and others, my sister Denise and I grew up across the highway from Rex and Shirley and have many fond memories of them taking us to church before Mom learned how to drive. When Rex passed away, Shirley sent me the sweetest note. How blessed you all were to call them family. May you carry on their Christ & people-loving ministry. Your loss is Heaven's gain.

*My heart goes out to Amy and Cameron and Taylor, Christopher and the rest of the family. Words can't express enough all the hurt and sorrow of losing this wonderful lady. She will be missed by her family and friends and to all the meet her. It's been a privilege for me to get to know Shirley and Rex both. They never treated you like you where hired help or beneath them. I know I'm going to miss her smile and sweet soft spoken voice and our talks. She was always so appreciative of what all was done for her. Shirley had became like family to me. I'm sure Rex was there waiting for Shirley at heavens gates along with Rick. Rest in peace Shirley I know your in a better place . I just wasn't ready for you to go as well as your family wasn't. Love you and miss you!! Charlotte Dunning*
