“ Jim, Tena and Mr. Roudebush. I am so sorry about Shirley. When I was a waitress at Hunters all those years ago, two of my absolute favorite customers were Mr. and Mrs. Roudebush. They always made me laugh and made my night that much better because they were there. We of course would give each other a hard time, but that's why it was so much fun. Every time I would see them, they would always speak and say hi. I enjoyed also going to church with them, and even after I moved back to Bloomfield after being gone for several years, they never forgot who I was and would always speak. Jimmie, I think you probably got a lot of your fun loving traits and skills for picking on people (in a fun way of course), from your Mom. I will miss her. Please realize that if you keep her love and laughter in your heart and soul, she will never be far away. She loved you all. You are all in my thought and prayers.

“ Shirley was a wonderful person and I will miss her very much. I worked with Shirley many years ago when I was younger and have a lot of memories of her. She was full of spunk and talked to everyone who came in the store. I saw her about a year or so ago and she remembered me, that was nice. I'm very sorry for your loss, take care.

“ Shirley was a beautiful person inside and out and Bloomfield will not be the same without her. We will miss her!
She blessed and touched so many lives. She was always quick to give a kind word, genuine in her concern for others, and always had a smile on her face.
On a special note, we are grateful to her for how supportive she was during Kathy's bout with cancer and it was friends like her that helped her get through it.
Our prayers and sympathy go out to all of her family. God Bless You.
