“ My heartfelt prayers are with Warren and the family. Sonja and I became best friends when we were in Sixth Grade and shared so many wonderful times together. She was always so upbeat and happy and some of my favorite memories are spending time with her and her family. Camping in the field across from their house, double dating, and sharing memories throughout the years. She left this earth much too soon but I know she was ready to meet her Lord and Savior. I am so thankful that she was a part of my life for over sixty years. Rest in peach my precious friend. Anne Rollins
