“ Stanley and Mildred took two foster children in during the early 50s, my sister Juanita and I. I learned so much while we were there. I loved school at Pike, and I remember the Campbells as so loving and caring for us. The state took us away and put us into another home after about 4 years. I have fond memories of the horse, cattle, sheep, the orchard and cherry tree and verdant fields of tomatoes, corn, and wheat. I lost touch, and am so sorry I couldn't reconnect. I'll never forget them. I'm a writer, actor, creative director, and artist. Marine combat Vietnam Veteran. Living in Encinitas, CA. If there are any relatives still around, get in touch. I'm ed.coonce@yahoo.com. Here's the only picture I have. Mildred and Ronald and me sister and I dressed to the 9's.

“ We were so sorry to learn about Stan's death and we offer our deepest sympathy. Johnny always remembers Stan at the foam machine at GE with foam everywhere, including in his corn cob pipe! We tried to come to the funeral this evening, but, even after several people offered directions, we got hopelessly lost. Our thoughts and prayers are with you. Johnny and Mary
