“ *RIP Steve- a good friend of my husbands years ago when we lived in Owensburg and then Linton. They spent a lot of time talking about politics and the wars they were in. My deepest sympathy for family, we are never ready to lose our loved ones. My husband would have had his 76th birthday a couple days ago. So now they can join Petie, John up there in heaven on the bench to tell stories like they did down at the store.*
