“ I have known Steve for nearly 50 years- 2 fond memories of our teenage years:

1 old Linton Canteen -parking lot during a band break from the dancing- Steve was so proud of his red Impala-just having dual exhaust put on it- sound good until he revved it and one of the motor mounts broke-cracked the distributor cap, shutting down the engine!

This was late on a Saturday night-nothing open at that hour back then- was worried about having to call his dad-and trying to find a pay phone and making Rex mad! It all worked out in the end!

I was following behind him at night and he hit a rough spot-knocking a fuse out of the panel that was controlling the lights- never saw a car stop so fast! He jumped out- thought maybe car was on fire!

Check check-all aok- reinstalling fuse and he was off again!

My deepest condolences to the family- a very very decent, loving Christian man- may he rest in peace.

“ So sad. I grew up with Steve and family. We all rode school bus with Jr Sharr driving. Afterword, his dad and I both drove a semi truck and Steve would ride with his dad. Used to meet at Farm Bureau at Princeton. Talked many times about "older" times. Praying for family. God Bless.
