“ Susan was my bonus sister. She was a very quiet and humble woman. She loved deeply. Her children Justin and Shania was her world. Everything she did was for them. She was proud of her family. She loved her grandbabies with her whole heart. She even had a special little bonus grandbaby Charlotte. One time she was playing with a 11/2 (at the time) Susan sneezed and Charlotte said "God Bless you and God Bless your nose". I heard she cracked up and still laughed to this day. Anyway, Susan I'm sure missing you already. Rest in Jesus' arms and live in that mansion you deserve. I love you my friend.
