“ To Susie's husband, children and family,
My sincere condolences during your time of
sorrow. Susie was my first roommate in
college and I as a freshman and she a year
older, took me under her wing and together
we shared many, many laughs and created memories that I will
cherish forever. I'm so grateful that I had the opportunity to have her
in my life.....I couldn't have been matched with a better roomie. Rest
in peace my friend.

“ Don:

We saw Susie's obituary in the Bloomington newspaper. She looked
real bad when we saw you about 4 weeks ago, so were not terribly
surprised to see that she had died. You have our deepest sympathy.
May God bless you and give you His peace in this difficult time.

“ I am so sorry to hear of Susie's passing. I only worked with her briefly on the state bicentennial but looked forward to her visits at the Foundation office. She was quick to laugh and the sparkle in her eyes lit the room, she was totally delightful. Her love of people and kids was obvious. My prayers for your comfort.

“ Don, Kari and Kurt, words come difficult in a situation such as this! Susie meant so much to our family, she has touched our hearts in so many ways beginning with me bringing to tiny adopted children into a school system that was difficult at best for them! She stepped up to the plate, she made them feel loved, broke through their many barriers and made sure they succeeded. She worked with them in and out of the school system until they graduated high school. Over these years our love grew. When it was time for us to move away from Bloomfield she bought our house. She Will forever remain in our hearts! Please know that you will all remain in our hearts as well and that we pray for your continued strength and wonderful memories! Our love always!

I got to know her through volleyball as I was one of WRV's statisticians and she would come into the hospitality room at WRV during tourney and sectional times. “ My “bestie,” my friend...we shared so many things, it's hard to count. She was never afraid to tell me when I was wrong or laugh at me for being a softie...she did it with humbleness and respect to make me a better person. Her infectious love and laughter will live in our hearts forever. She loved her family with unmistakable passion. Private and dignified, yet she made me laugh at most things because, putting them in perspective, those weren't the most important things. She left a legacy and example to follow. I am proud to call her my friend. Love you, Susie Q. God bless you, Don, Karri, Kurt, and Dillan...your guardian angel is watching over you now.

“ So very sorry to hear of Susie’s passing. As someone who over the years had the pleasure of coaching against her (Bloomfield vs Eastern Greene), sharing the love of coaching our kids, both being Physical Educators within the county, my respect for her drive and dedication will remain endless. Susie left a big impression in the lives of her students, players, friends, and in the lives of many fellow coaches.
