“Wow...sooooo Sad! Just can't hardly believe this!. My prayers to the family! Tammy was special person...like an Angel unseen! I met her at Worthington Cord Factory and she taught me so much of how to blade the light bulbs onto the cords and how to mold advanced bigger cords. What I remember most is the Day she brought tears to my eyes. She brought me a cup of coffee! Something so small and yet so big to someone who always had to do everything herself. She understood my struggles of raising kids and life's disappointments. She always gave me Hope and I tried to return them words with comfort for her life's struggles. I know she believed in God, so I know she is in a better place and will see her again someday! The last time I saw Tammy, a few months ago at McDonalds, in Linton, she was still bubbly with Joy and that is how I will always remember my Friend, Tammy Rawley.
