“ *Penny, Pam, Todd, and Family
Please accept my condolences on the loss of our beloved Tami.
What a loving, giving, and fearless person she was! Though time and distance separated us, every opportunity to connect with her melted those challenges away! In my mind she will forever be that happy smiling girl who never turned away from a challenge. Please know that in addition to being a beloved daughter, mother, sister, and nana she was also a cherished friend to many. I'm praying for peace and comfort during this most difficult time.*
