“ You will be greatly missed, Ted. I remember you being my backup babysitter one spring when my babysitter quit. One day Brad took pictures of you and the girls. I have one in my mind of you taking a nap with both girls on the couch. I could not have made it through those days without Pappy! I am so thankful for having your support. I am so thankful for the good days you had in your retirement in Bloomfield. We love you. Rest in Peace.
