Tribute Wall

“ Love You Daddy. I Miss You So Much.

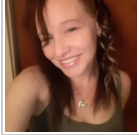

Heidi Thomas-Meadows - May 04, 2023 at 04:53 AM

“ I Love You So Very Much. I sure do miss you. Your smile, your laugh, heck even your "thought grimace" you'd get after listening to me jibber jabber.... I just miss you being here. I miss my best friend, my hero, my confidant, my protector. Everything a Daddy is supposed to be, You were all that and so much more. You were such a blessing. God Divinely Favored me when He chose You to be My Daddy. Words can not come close to conveying how much I love you and the gap of emptiness within my being is seemingly bigger. Caleb, Cole and Adrienne are doing the best they can but it's devastating to watch them put on their smiles but to know that they feel so lost and have that "missing" within them also. Maybe it'd be different had it not been so completely unexpected, your passing. Maybe the missing would be that of a different kind.... Though it still would leave an emptiness and a devastating ache maybe the sense of concern and question would cease or be lesser? Reckon I'll have to just deal with it as it cannot be rewritten. It is just not as easy to do as saying it. I, we are trying.
