“ It’s always hard to put into words what people mean to you. It is that way with Teresa. We started out as co-workers and ended up being good friends. She was a mentor to many - not only in our work but in life’s challenges. She was always willing to do whatever she could to help anyone who needed it.

Her love for her family was always her priority and it has been shown in the love they returned to her. She will be missed by many and when I think of her it will be with a smile. Rest in peace thy good & faithful servant.

“ So sorry to hear of Teresa's passing. I had the pleasure of working with Teresa and seeing first hand how she led a life that served others. Whether it was an employee, a friend, or family member, if she could help them in some way she would. Her life was well lived and she will be sorely missed. My thoughts and prayers to all. Peace.

“ I worked with her many years ago. Prior to Crane, she worked at the Bloomfield State Bank. I enjoyed her dry little sense of humor!!

“Theresa’s life echoed that of Jesus. Sharing her beautiful smile, hugs & Spirit with anyone she met. Always ready to help & support others.

She dedicated her life as the scriptures tell us to do, “Love one another as I have loved you”. Rest well, good & faithful
