“ We are very sorry to hear of Terry's passing. We have good memories of playing washers with him and our kids, and him "showing us how it's done". Our heartfelt condolences to Dixie, Velma and Raymond and family.

“ Terry and I meet 12 years ago at the gas station I worked at , we became great friends and talked and texted often. I would listen to how he was feeling and dealing with his health and he would give me advice on my marriage and life. He was a great man and friend who loved his family very much. You will be missed , fly high and rest easy
