“ *Arla, Sorry to hear about Terry.
Today, I had not checked the online obits nor email since
Wednesday. My sister, Barbara, had notified me via email. Then
called me Sunday.
Terry was so good to come to all the families viewings. I really hate
it that none of us were there for you.
You have my condolences.*

“ *We are neighbors to Dee. We extend our heartfelt sympathy to Dee
and her family. We have both lost our fathers in the last year and
know what kind of void there is left in your hearts and lives. May
God's comfort be with you in a very special way during this time.*

“ *I have fond memories of Terry. He wasn't my bus driver but he was
Tina Bowersock's for a long time and she is still one of my best
friends. He was ALWAYS so kind, caring and soft spoken. I will
never forget his smile. He was always smiling! I am so grateful to
have known him and you all. I can't make it to the funeral but know
that my thoughts and prayers are with you. He will be missed.
