“ *My Dad’s spirit lives on and his memory too. He was so adventurous. Shana called me at work to tell me Dad ‘s spirit left his body. I drive home and my neighbor had his truck packed up and he was heading west for an adventure. My Dad he took me with him on three trips out west. I thought about it and shared that memory with Alex. I gave him some Avon bug spray and offered up the Bon Voyage that is typical. But I smiled knowing I would have the opportunity to share fond memories of Dad here with others often. Long live my Dad’s memory!*
