“ *My prayers and condolences to your entire family. May the memories of all the wonderful moments you had with Terry give you strength to get thru the pain of his loss. I never had the privilege of meeting him, but I've been lucky enough to get to know Shannon. A child is in many ways a reflection of the people who raise them, so I know that he must've been a wonderful man and that goodness will certainly live on eternally in those who knew and loved him.*
