“Peggy, my sympathy to you at the passing of your mother. Due to the limited publications of the local newspaper I didn't know about this until days later. May you be blessed as you made it possible with your compassionate heart to comfort her in every stage of her failing health and aged body. You were faithfully there for me in my difficult times of family passings. Try to remember the good days.

Love, Etta Yake

“Rita, I am so sorry to learn about your Mothers passing. Sending sincere sympathies. Remember visiting your home as a child and your Mother was a very pleasant lady. I remember seeing her at Wildcat School when she came to visit for our Halloween Costume Contests and Christmas plays. Praying the fond memories of your Mother will comfort you during your grieving times. May God bless you and your sisters (and families).
