“ As my "adopted grandma", Thelma brought such warmth to my life. As her past neighbor, I have many memories to reflect on. From the long visits as I sat in 'Arthur's chair', to the lunches at Hunters...to the many phone calls...she blessed my life and will be sadly missed. To the family...my deepest condolences. Never did she and I share a conversation without her mentioning all of you. How fortunate you are to have had her love and guidance through all the years.

“ Thelma became my great aunt when her brother, Bill, married my mother, Sherrill. I truly loved Thelma's love of life and her great enthusisiam for anything that she did. I know she was very loved by her family and friends, and I will miss her. My prayers and thoughts are with all of you.
