“ I'm so very sorry for your loss. I knew Tom from the Saddle Club. He was one of the good guys, and was always a voice of reason when things got a little heated.

You could always hear the love in his voice every time he said "Nancy".

I wish I had heard about his passing in time to come say good-bye. But I just found out this evening.

With deep respect,  
Bonnie Overton

“ *My deepest condolences to Tom's family. Tom and I grew up together, although I was in Indianapolis most of the time and he was in Bloomfield. I got to Bloomfield frequently to see my Grandma Foster, and always looked forward to getting together with Tom and his family. Of late, we have connected almost every year at the Foster family reunion.*

*I personally will greatly miss Tom, and am deeply saddened at his passing. He was a fine man and friend as well as a cousin.*

*Most sincere wishes,*

*Doug*
