“ To the family and friends of Tom, we are all so sorry to hear of Tom's passing. Though we had only known him a short while, as a member of the board of Directors of the Friends of Goose Pond, he had already made his presence valuable as a decision maker, volunteer and contributor at the meetings and in our functions. That he sustained his injuries on Goose Pond has certainly left a hollow hole in our hearts, but at the same time, he will be remembered there. Our sincerest sympathy and deepest gratitude for our time with him. Sincerely, The Board of Directors of the Friends of Goose Pond
