“ Thank You Tom for being a wonderful Father-In-Law and husband to Judy and father to the kids! Share many, many years of wonderful time together from home gatherings, trips to Va Bch to see us, to hunting and many fishing trips! Jeff and I would get up at 0300 to get ready to go hunting in Brown County or just relaxing on the many different lakes fishing! Just have to watch pulling your boat up there in heaven with a small blazer going up a gravel road...:-)! You will be highly missed down here by many, many folks and we all love you! Thank you for being in my life for the past 30 something years (showing my age now..lol) and always spoiling us kids every Christmas! I will always remember Mom's face when we brought that Blazer back after getting it buried in Scotland going mudding! How Mom loved cooking all the rabbits or fish after getting/cleaning them! There is so much to say, but you know already! Just smile down on us all and keep all of us straight in God's eyes! Love You Tom!
