“ A few paragraphs could never describe what Tim meant to the people he knew and how he affected them in such a positive way. With a heart of gold, he was always there to help a friend or to lift your spirits only the way he could. Whether you referred to him as a son, brother, husband , father or friend the word devoted must go in front of all of those labels. Tim will be greatly missed on the softball field and as a friend; but the lessons he taught us about character, humility, and friendship will never be forgotten . Our deepest condolences go out to the family and our gratitude to having been blessed to share even a small bit of the all too short life of Tim Campbell.
