“ Todd "Gomer" was a great guy to work with at the coal mines. He talked about his family often and will be missed.

Gomer has been a really good friend! I first worked with back in the Fossil Fuel days back about 1984 and we stayed together all threw our coal minning days . I remember when he first meet his wife my girlfriend and they had two lovely daughters. I remember them growing up and becoming the lovely young women the are today . When I heard of Todd's departure I was out of town and I'm greatly saddened over his passing he is truly the best in my mind and I'm very upset that I couldn't make it back in time for the funeral . Be leave me when I say I feel your pain and your lose and love you all ! Will see you soon .
