“ I have worked with Tony, Jim and Price Electric for more that 27 years. We have completed so many projects together in and around Bloomington. I am still having trouble wrapping my head around the reality that you are really gone. You were always a man of your word and I am a better person for knowing you. I am truly honored to have called you my friend. I remember one day when it had been snowing all afternoon. My twin daughters were attending IU at the time. They had got their car stuck in the snow. I picked up the phone and asked if Tony if he could have a couple of his guy go help and push them out.. And, of course he did without hesitation. My only request was to make sure none of his boys hit on my daughters...lol. He always had my back! Rest easy my friend until we meet again!

“ My deepest condolences to Tony's family. As an architect, I had the good fortune to work with Tony on several projects over the years. He was so easy to work with and generous with his time and knowledge. Tony helped make our projects better. He will be terribly missed.

“ Although I never met Tony personally, his son Evan and his bride are our next door neighbors. I frequently saw Tony working with Evan on the farm and it was so heartwarming to see a father and son together. I knew almost all of Tony's family members from his grandparents, Mary & Joe Fuller; his father Wendell with whom I attended church in the 1960s at Newark General Baptist, and his mother Darlene who graduated one year ahead of me in school. I am so very sorry for the Fuller family's loss, but I know there was shoutin' in Heaven when he arrived. The Fuller family have always been strong believers in our Lord and Savior and proved it, not just on Sunday, but throughout their entire lives. May the Holy Spirit give the family the Peace that Surpasseth all Understanding, as only He can do!

“ Our deepest condolences to Tony's family and his co-workers at Price Electric. At Trinity Episcopal Church in Bloomington, Tony worked for us for many years. We especially appreciated his support and guidance when we were flooded this past June. We were bailing out 6' of water and Tony was helping us figure out what was safe and what to do next. We will miss him. We pray that he may dwell in paradise for all eternity in the arms of the blessed Lord. Tony's friends and clients at Trinity Episcopal Church,--Nancy Hutchens, Building Committee; Kevin Burdeshaw, Facilities Manager; Steve Martin, Building Committee, Rev. Matt Seddon, Rector.

To Tony's Family:

Tony was a tremendous person, someone I could spend countless hours with and just enjoy every minute. I was fortunate enough to know Tony through our business and became good friends with him. Jim, Tony, and I spent many days sharing stories about our families, kids, sports, farming / cows, good whiskey, cars, and electrical projects. It was always a joy dealing with everyone at Price Electric and hearing about Phoebe and the kids. One thing I knew for sure, Tony loved all of you so much! He would beam up when he talked about his wife, kids, or grandkids. He was super proud of all of you!!

It seems so unfair and unbelievable for him to be gone. The hurt and pain are real, simply can't be eased with words, only time and love from one another. I know you have a strong and faithful family and the Lord will see you through this difficult time. We will continue to lift you up in our thoughts and prayers! We all love and miss you Tony! Rest in peace my friend, and may The Lord comfort your family and friends!

Sincerely,

Jarit Meade
