“ When my family moved to Calvertsville and I began going to Calvertsville, Trena and I became very, very good friends. She was a year behind me, but she came to spend the night with me pretty regularly and I went to spend the night with her as well. My family loved her and I was so very comfortable at the Sharr's home. I treasure every moment I spent with Trena and her family. Her father was also my bus driver for several years and he was an awesome one. My husband and I were just talking about getting out and visiting Trena. I had absolutely no idea, until I ran across this page, that she was no longer with us. I will always love her and will always cherish the awesome times we had together!!! May God give her entire family the peace that surpasseth all understanding.

“ I just learned of Trena's passing. I'm so sorry. Trena was one of those people that never failed to speak to you, and give you that big smile. I first got to know her when she rode my school bus. I haven't seen her in several years, but the times that I did run in to her, we just picked up where we left off. God has welcomed a special person home. My prayers to her family.
