“ I had the honor of having Tyler in my music class at Glenwood. My fondest memories are of Tyler and my husband John playing guitar together!
What “jam sessions they had!
I’ll always remember Tyler that way.... his cowboy hat on , guitar in his hand, and a smile that went from here to Heaven...
God bless all of you in your time of grief

“ *So many memories and laughs, most from his times in the classroom at Glenwood. Delivering all of those birdhouses to staff members is one of my favorites-reminded me of Santa delivering presents! I don't remember our principal EVER letting anyone else sit in her chair at her desk, but Tyler had her permission to do anything! Chris and I have fond memories and will treasure them always. That smile is definitely one of a kind. God bless you all and take comfort knowing that Tyler is watching over us all and enjoying his chocolate milk and garlic toast.*

“ *I'll always remember Tyler's smile and how he always let me hold him. I remember at one of our family gatherings he sat with me and we watched an old western we found on Netflix on my phone. At Abbie's graduation party we made silly faces while playing around on Snapchat. He seemed to really enjoy that. I was always drawn to Tyler, he asked for nothing but always gave so much to those around him. I'm a better person for having known you Tyler Davis, may you Rest In Peace. My thoughts and prayers are with Bruce and Lori during this difficult time. Love you both...*

“ Tyler absolutely lit up the dealership each and every time he visited. All I can think about is the gigantic smile he would get every time we had a new truck in the show room. I'm so grateful that I had the pleasure of meeting Tyler on multiple occasions. My thoughts are with Bruce and his family.
