“ Aunt Velma, my Daddy, Lawrence Curry's, sister. All through my life Aunt Velma and the Britton Family have been a lot of pleasant memories. She was always wonderful to be with. Aunt Velma was a wonderful big meal cooker. We had a lot of Family Get-togethers with the whole family. I am sure the Family and Friends in Heaven are enjoying her being there to visit with. Loved you a bunch....Marlene Barnes

“ To my Sweet Aunt Velma's family. Loved her so much. Enjoyed listening to her stories of when she was younger. As a family they used to sing hymns together even on the radio. With her brothers and parents. Loved her cooking, especially the Blackberry dumplings or cobbler. When she retired her Rabbit costume, I received it. Used it with my clowning. Loved going to the home place with the garden, barn, tractor and the old water pump. Loved the tomatoes, corn, and the wonderful watermelons. Loved the story of when she got her new red truck. Said she had so much fun driving it. Even got it up to 35mph and she laughed. We laughed a lot when we would talk on the phone or had a chance to be together. By living in AZ I missed a lot of fun times. But we remained close. Love my families in Indiana, and my heart hurts with you all. You all are in my prayers and the Lord with give you grace and heal your hearts. At least we know where she is and we'll get to see her again soon.

“ *Dixie and Charlene,
I was so sorry to hear of your mother's death. She has always been very kind to me and I remember her fondly as one of the wonderful people who were so important in the family at our little church. I will pray that God comforts your hearts by reminding you of warm and happy times with her. Love you all.
