“ Todd, I will keep you and the girls in my thoughts and prayers. Vicky was such a kind and thoughtful person and always had such a beautiful smile. There aren't any words that will comfort you right now except knowing that she has moved on to a better place. May God bless you and your family. Blessings, Dr. B.

“ Have you prayed for a loved one struggling hard with pain,
You asked the Lord for healing yet their healing never came;
And in spite of all your efforts the good Lord called them home,
And it's hard to let go when you're trying to hold on.

Now you're down in the valley looking up to the sky,
You pray Lord you know what's best but I don't understand why;
But if you could hear loved ones speaking out to you,
They'd say you wouldn't be grieving if you only knew.

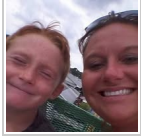

If you only knew, I'm just going home,
God answered your prayer and my sickness is gone;
Things look so much better from Heaven's view,
Here the sun always shines, we're having a time if you only knew.

To be absent from the body is to be present with the Lord,
I'm in the arms of Jesus and I'm not suffering;
Hand in hand we'll stroll together down Heaven's Avenue,
Oh, what a celebration if you only knew.

If you only knew, I'm just going home,
God answered your prayer and my sickness is gone;
Things look so much better from Heaven's view,
Here the sun always shines, we're having a time if you only knew.

Here the sun always shines, we're having a time if you only knew.

“ A beautiful mom who had all her children at the center of her heart. I
witnessed so much insight and exposure that she provided them...
2nd hand for me, through their eyes and lips of re-telling and
sharing at school. They are truly blessed with the wealth of
knowledge she shared with them and she also made sure they had
a plethora (wide range) of experiences! Awesome mom and great
classroom volunteer!
