“ *I have fun memories of Vinnie as a little guy from Bible school. Bruce and I are so sorry we didn't know until late yesterday. I remember when you and Vinnie put in our furnace; Vinnie and I shared our love of books. I loved that kid. My mother's heart knows the pain of losing a son and my heart goes out to you and all of Vinnie's family. Bruce and I have you in our prayers.*

“ *My sincerest condolences to Jennifer and her family! Vinnie had the most beautiful red hair full of curls and rosey red cheeks. There are never words to help parents through losing a child. We all know parents should die before their children.*

Vinnie loved the summer time outside in the pool, playing water guns with Jay. But most of all I think he absolutely loved Christmas at the Sternik Home. Diana always went above and beyond to make every Christmas better than the last.

I hope you are at peace now and in the arms of the lord, and I'm sure grandpa Jim is with you!

Rest In Peace, your presence will be missed.

Love & Blessings, Kim & Jay
