“ For the last 13 years, Wally was a huge part of my family's life. He didn't show too many people his funny and kind side, but when he did, you knew just how lucky you were to have him as a friend. He will be greatly missed!

“ If you look under Crusty ole Salt in the Navy dictionary, this is the picture you will find. Wally loved his country, Navy and family more than anything. He would do anything to defend any of the three. It was a blessing to be part of his life and family as a friend. He will be missed.

“ Lynn and Wally are an extension of our family. We at the Litehouse Lunchbox prepared many meals for them and enjoying their company and became family to them. We shared holidays and special events with them. It was a complete honor to have catered his retirement at Crane Base. We have had wonderful memories made with them and Dannie. We will always hold him in our hearts. Sara thought of him as a dad, she enjoyed going to the Brickyard 400. She will always remember him for his knowledge of trains, Nascar updates and him being very attentive to her. He is loved and will be missed.
