“ I was so sorry to hear of your mother's passing. I am so glad I stopped by to see her in August when I was making arrangements for my brothers service. I remember the old days in Crane when she fed and watched over all the Crane kids seemed like her home was the best place to hang out, I have lots of memories of both your mom and dad and my heart goes out to all of her family, she was a kind and very well liked lady, she will be greatly missed.
