“ To Allen’s family,
I know you don’t know us. However, I want you to know that Allen didn’t go alone. My daughter passed away February 18 at Greene County General Hospital as well. Her name was McKenzie. She was 29 years old, she was born with cerebral palsy, which left her unable to walk or talk, and she was tube fed.
I came across his obituary, and it made me feel better, knowing that she was not alone when she left me. I pray this brings you comfort as well.
With love and condolences for our two angels,
Amanda and Jerry Burnette

“ *Hi, this is Bill Sensini, I've known Allen for over 30 years. Literally the first person we met when we moved to Indiana. He was a good friend to my dad and like an uncle to me. He will be greatly missed. So happy I was able to spend some time with him and his family back in August. My prayers are with you RaeAnn and Autumn, Andrew, and Abbi.*
