“ *My name is Diana (Dee Dee) Bedwell, and Brad is my Uncle. My father is James Bedwell of Whiteland, Indiana. James passed away about 9 years ago. Mike Bedwell (James's and Brad's brother) lives in Clearwater, Florida. Brad, my older sister Brenda, and I are close in age, but we were close as kids. I am saddened to hear of his passing. I wish I would have tried to find him earlier. He will be missed by all of us. Love, your niece Dee Dee*

“ I have been searching for Brad, who is my uncle, for several years. I finally realized to type in "William Bradley Bedwell" and as I did, up pops his Obituary. I am saddend by this. Uncle Brad and I (including my older sister) were very close when we were kids. We lost track of each other. I wish I had done this earlier. Please inform me of his graveside services.
