“ *My sorrow is extended to the family of Bill. I remember my Bill Buher of whom Bill worked for at Rogers Group coming home at night to share a funny that Bill would share at work. He always told my Bill when he retired he was not going to give his notice he would just tell my Bill at the end of the day he was done. He was a funny guy. May our God be with you as you endure this sorrow. God Bless each of you.*
