“ *Bill, (BJ) as we called him was a great person, my twin brother and I spent years with him while teaching at the NCO Academy 17 years. We still have a few BJ Bucks! We knew and worked under the leadership of his father. CSM Ketchem and I served together in Afghanistan, returned and served in couple more units. We have known BJ for over 30 years. He was an accomplished Non-commissioned officer, mentor, friend and brother in arms. You will be missed and remember always. Friend first, Soldier always!! My prayers go out to the family.*

“ SGM Ketchem and I worked a few years when the 76th Brigade was known to be the Blue Devil brigade. A great soldier and demonstrated a “can do spirit.” A great mentor for the Indiana Army National Guard.

“ I knew Bill since the Fourth Grade. We had paper routes together, in Boy Scouts together, and graduated from Bloomfield High School together.

He was my dear friend, brother, and neighbor. I have sustained a loss that can not be measured.

When I would walk home for lunch in high school Bill was on his way to work study and he would stop and give me a ride to help me.

Bill put me down a reference for his security clearance. When the man came to interview me, I told him "Bill has only one fault, he's too good. He would give you the shirt off his back. You don't have to worry about Bill, he would rather die than betray his country."

He was a fine lodge brother and only those who attended with him will know his true commitment and sincerity to the ideals of the fraternity.

When Bill was installed as the Worshipful Master of the Lodge he was admonished to "live respected and die regrated." Which he did and is.

I know beyond a shadow of a doubt where he is. He is out of all pain and suffering, with his family and with Jesus. Because of Jesus, we will all meet again on that glorious resurrection morning.

Amen.

“ CSM "BJ" Ketchum was a great man. I can remember all the mentorship he gave me in my early days as a soldier at Atterbury in the 219th. He was a big part of me making SGM. Bill you're going to be missed. Thanks for all you did for that young Soldier back in early 2000's. You made a difference in my life and many others. RIH CSM.
