“ I have known the Strausers most of my life and this was a dear Christian woman whom now has gone on to her justly reward - forever and ever to be with her Lord. Earth's loss was great however, heaven's gain is a jubilee throughout the heavens. Her body sleeps for the night awaiting that great resurrection day when the trump of God shall sound and the dead in Christ comes forth from their graves and those living and yet remain will be caught up to meet them in the air. God with with the families your peace lies in Him for He is the Resurrection.
