“ So sorry to hear about this. Love to all the Wilson family. Rex's and Rose were so loving and welcoming, I still remember hanging out at the house, driving in the bull, and that stuffed owl. Cherish the memories.

“ Regina, Brian, and Bruce: I'm so sorry for your loss....so hard to lose a parent. Your Mom was at Mom's viewing and she asked me if I remembered that Rex would always make sure there was ice cream whenever I spent the night...of course I did! Rex was a good man and will be missed by all. Love to you all.

“ *Regina, dear classmate, I know it has been a whirlwind for you and
your family as of late. So much has happened in such a short period
of time.*

*In a few days or weeks, this may all hit, the dam may burst. Please
know that you and your family are in my prayers. God is always
there in these times, if we will let him.*

Also it was so good to see you at the class reunion.

God be with you.

“ I have so many wonderful memories of Rex, as he and his family were our next door neighbors growing up. Sharing a party-line phone, Church services, late night grownup card games while us kids played tag outside, he and my Dad helping each other out with various farm-related needs, and lots of other things. My favorite one is when he donned the Santa suit and came to our house when I was about 8. Oh boy, your Dad was always smiling! I'm so sorry for your loss. I'm keeping you all in my prayers at this difficult time. I will be unable to attend the viewing, as we're out of town that day, but please know that I love you all. God bless you.
